## **“Work worth doing”**

My friends and fellow flooring professionals,

It has been an honor and a privilege to serve as President of your Maryland and Northern Virginia Floor Covering Association during the 2013-2015 term. In this capacity, we have moved our Association in new and exciting directions. This has included strong issues based advocacy as well as programs aimed at improving salesmanship, installation best practices, and estimating accuracy.

Moving forward, your Board has identified significant opportunities to expand our reach and mission to include our Mid Atlantic Region. With the support and guidance from the World Floor Covering Association, we are ramping up all the programs and services you have come to expect from your membership and deliver them to Virginia, Pennsylvania, and Delaware. We will be now known as the Mid Atlantic Floor Covering Association.

In this process we will be making planned and organized growth initiatives in membership and services. As a growing organization, we will continue to provide these services through our volunteer Board of Directors. To be successful in this initiative, we need your support by joining our Board and taking part in this exciting new direction.

There has never been a better time nor place to bring your experience to our Board. For more information, I encourage you to contact myself or Michelle Goshorn. We consider this work well worth doing and invite you to join us in this endeavor.

To your continued success,

Christopher Adams  
President
