

2022 Annual Meeting

Mid Atlantic Floor Covering Association

Featuring Floorcovering Industry Expert

Jim Aaron along with the

1st Annual Industry Spotlight Awards

In our first dinner since November 2019, the Association feels it is not only important but imperative to honor our successes while discussing the challenges our industry faces.

Labor shortages are one of the biggest challenges facing our industry today. We are honored to have Jim Aaron come and speak on this issue, the steps being taken to address it, and how we can assist.

Additionally, we are very excited to announce the

1st Annual Industry Spotlight Awards.

These awards, honoring a commercial and residential project completed in 2021, will recognize the dealer, installers along with the manufacturers and/or distributors who worked on the project. Please see our website for more information and to submit your project by May 10th

We can't wait to see you in person again!
